

PUBLIC NOTICE

Jamestown Sanitary District Notice of Adopted Increase to Sewer Utility Service Rates for Five Fiscal Years 2025-2029

Second Fiscal Year Implementation Effective July 01, 2026

On November 07, 2025 at 6:00 p.m. the Jamestown Sanitary District (JSD) Board of Directors held a Public Hearing at the Jamestown Elementary School Auditorium at 18299 Fifth Ave. Jamestown CA 95327 approving a five-year sewer utility service rate funding plan with the first of the five-year adopted rate structure to begin effective January 01, 2026.

The adopted rate increase is necessary to pay for the operations and maintenance of the existing and future wastewater sewer systems and facilities, the collections infrastructure and to comply with State and Federal wastewater requirements, permitting and to establish a financial reserve to address future needs and to avoid operational deficits and financial instability.

Customers are billed a fixed monthly rate for sewer service with Each Single Family Residence (ESFR) classified as one (1) Monthly Fixed Charge. Non-residential customers are assigned multiple ESFRs to reflect their higher use of the sewer system as determined by the District's engineer and is not proposed to change. The number of ESFRs assigned to non-residential customer classes is multiplied by the rate per ESFR to calculate the total sewer bill. If you have questions about your customer class or assignment of ESFRs, please contact the District at 209-984-5177 or via email to jsdistrict@mlode.com.

The rate will increase on July 1, 2026 from \$106.02 to \$132.53 for each single family residence.

Base Classification	1-1-2026	7-1-2026	7-1-2027	7-1-2028	7-1-2029
Equivalent (each) Single-Family Residence (ESFR)	\$106.02	\$132.53	\$145.78	\$160.36	\$168.38
New Debt Fee	NA	NA	NA	NA	\$24.38
Total Rate per ESFR	\$106.02	\$132.53	\$145.78	\$160.36	\$192.76
