

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Jamestown Sanitary District (JSD) will hold a meeting and conduct a public hearing at 4:00 p.m. PST, or as shortly thereafter as may be heard, on the 24th day of June 2021.

The Jamestown Sanitary District's office and meeting room are closed to the public until further notice to protect against the COVID-19 pandemic. This meeting will be held in accordance with Executive Order N-29-20, issued by California Governor Gavin Newsom, the Ralph M. Brown Act (California Government Code Section 54950, et seq.), and the Federal Americans with Disabilities Act. Due to Executive Order N-33-20, no physical meeting location is required to be provided for this meeting.

Members of the public may monitor the meeting via teleconference and offer public comment when called upon at the appropriate time during the meeting. Members of the public must contact the District office at 209-984-5177 or email jsdistrict@mlode.com no later than 3:00 p.m. PST on the day of the meeting noted above in order to provide a phone number to be dialed into meeting via teleconference.

The meeting will be held for the purpose of considering:

Adoption of a supplemental addendum to an Initial Study/Mitigated Negative Declaration and Mitigation Monitoring and Report Plan for:

The proposed project is located at 10190 Karlee Lane, Jamestown, CA, Tuolumne County. A portion of Assessor's Parcel Number: 059-150-027 (31.9± acres). A portion of Sections 21 and 22, T1N, R14E MDB&M

The adoption of the supplemental addendum is to facilitate JSD utilizing their onsite tertiary water for the watering of JSD owned land which now houses the new wastewater treatment facility. No tertiary water use outside of the JSD property boundaries is requested at this time. JSD is taking this proactive approach for the continued maintenance and fire danger of their land. In the event of an impending drought this will alleviate the use of TUD water as a benefit to TUD water customers.

At the above time and place, all persons interested in the above, either for or against, will be given the opportunity to be heard. Copies of the environmental evaluation and supporting documents for the above proposal will be available for public inspection at jamestownsanitarydistrict.com, under Important Notices tab or by calling 209-984-5177 to request a copy to be mailed to requestor. Questions regarding the environmental document may be directed to Planner Amy Augustine at 209-532-7376 or tuolandplanner@gmail.com.

Pursuant to State law, challenges in court to actions on the above proposal may be limited to issues raised at public hearings or meetings conducted on the matter, or in correspondence submitted at, or prior to, the hearing or meeting.

The posted agenda will be made available upon request no later than 72 hours prior to start of meeting. Materials related to this item submitted after agenda distribution will be available for public inspection at jamestownsanitarydistrict.com.

Pursuant to State law, challenges in court to actions on the above proposal may be limited to issues raised at public hearings or meetings conducted on the matter, or in correspondence submitted at, or prior to, the hearing or meeting. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact JSD at 209-984-5177. Notification of at least 48 hours prior to the meeting will enable JSD to make reasonable arrangements to ensure accessibility to this meeting (28CFR35.102-35.104ADA Title II).

Signed: Patricia J. Ingalls, District Manager
